

§ 1204.1002

furtherance of this policy, NASA reserves the right to conduct an inspection of any person, including any property in the person's possession or control, as a condition of admission to, continued presence on, or exiting from, any NASA installation.

(b) It is determined that this policy is intended to comply with the heightened security measures for installations owned or occupied by Federal agencies (in this case NASA), to mitigate threats to such installations and to better protect the persons and property thereon.

§ 1204.1002 Responsibility.

The NASA Center Directors and the Associate Administrator for Headquarters Operations are responsible for implementing the provisions of this subpart. In implementing this subpart, these officials will coordinate their action with appropriate officials of other affected agencies.

§ 1204.1003 Procedures.

(a) All entrances to NASA real property or installations (including NASA Headquarters, Centers, or Component Facilities) will be conspicuously posted with the following notices:

(1) CONSENT TO INSPECTION: Your entry into, continued presence on, or exit from, this installation is contingent upon your consent to inspection of person and property.

(2) UNAUTHORIZED INTRODUCTION OF WEAPONS OR DANGEROUS MATERIALS IS PROHIBITED: Unless specifically authorized by NASA, you may not carry, transport, introduce, store, or use firearms or other dangerous weapons, explosives or other incendiary devices, or other dangerous instrument or material likely to produce substantial injury or damage to persons or property.

(b) Only NASA security personnel or members of the installation's uniformed security force will conduct inspections pursuant to this subpart. Such inspections will be conducted in accordance with guidelines established by the Director, Security Management Office, NASA Headquarters.

(c) If an individual does not consent to an inspection, it will not be conducted, but the individual will be de-

nied admission to, or be escorted off the installation.

(d) If, during an inspection, an individual is found to be in unauthorized possession of items believed to represent a threat to the safety or security of the installation, the individual will be denied admission to or be escorted off the installation, and appropriate law enforcement authorities will be notified immediately.

(e) If, during an inspection conducted pursuant to this subpart, an individual is in possession of U.S. Government property without proper authorization, that person will be required to relinquish the property to the security representative pending proper authorization for the possession of the property or its removal from the installation. The individual relinquishing the property will be provided with a receipt for the property.

§ 1204.1004 Trespass.

Unauthorized entry upon any NASA real property or installation is prohibited.

§ 1204.1005 Unauthorized introduction of firearms or weapons, explosives, or other dangerous materials.

(a) The unauthorized carrying, transporting, or otherwise introducing or causing to be introduced, or using firearms or other dangerous weapons, explosives or other incendiary devices, or other dangerous instrument, substance, or material likely to produce substantial injury or damage to persons or property, into or upon NASA real property, facility, or installation, is prohibited.

(b) Paragraph (a) of this section shall not apply to:

(1) The lawful performance of official duties by an officer, agent, or employee of the United States, a State, or a political subdivision thereof, or NASA contractor, who is authorized to carry firearms or other material covered by paragraph (a) of this section.

(2) The lawful carrying of firearms or other dangerous weapons at or on a NASA installation after written prior approval has been obtained from the installation Security Office in connection with sanctioned hunting, range practice, or other lawful purpose.
